

# NOW IS THE RIGHT TIME TO JOIN THE RIVERBEND ESTATES NEIGHBORHOOD ASSOCIATION

[www.riverbendestates.info](http://www.riverbendestates.info)

Riverbend Estates Homeowners Association was formed over 30 years ago for the purpose of distributing information to residents; providing a forum to discuss issues affecting the community or its residents; and to act as a collective voice for its members. We have changed our name to Riverbend Estates Neighborhood Association, but have the same goals.

**You are invited to join or renew for the 2016/2017 season.  
The annual membership fee is \$25 per household.**

This will allow you to participate in the decisions being made on behalf of all residents of this area (i.e., National Harbor project, safety issues, Neighborhood Watch, safety initiatives; mosquito control; leash law, property standards etc.)

Your membership, participation, comments and suggestions are needed and wanted.

If you wish to join please send \$25 check or money order payable to: RENA Inc., with the form shown below. **Checks preferred/cash accepted**
